

# PMP METAL PLAST PVT. LTD.

**AN ISO 9001:2015 COMPANY**

## About **Company**

---

Incorporated in 1987, PMP Metal Plast is one of the leading manufacturing units of India in the field of sheet metal components such as Housings, Heat Sinks, etc. Our client growth over the last three decades is a testimony of our success.

# OUR MISSION

---

We at PMP Metal Plast are committed to consistently adding values to our stakeholders with constant improvement in product design by following the best industry practices for manufacturing and quality control while following eco-friendly measures.

# WHY CHOOSE US?

---

-  We offer diversified range of best quality sheet-metal components.
-  Enriched with an experience of more than three decades of serving renowned market players.
-  Large-scale production and cost effectiveness with timely delivery.

# OUR STRATEGY

---

## Streamlined Production Process

With advanced machinery and an efficient workforce, we ensure the best and timely quality of products for our clients while being committed to protecting the environment.

## Quality Control

We are committed to a process-driven system where we can adapt and save to continuous compliance with the international quality management system ISO 9001:2015.

## Product Expansion

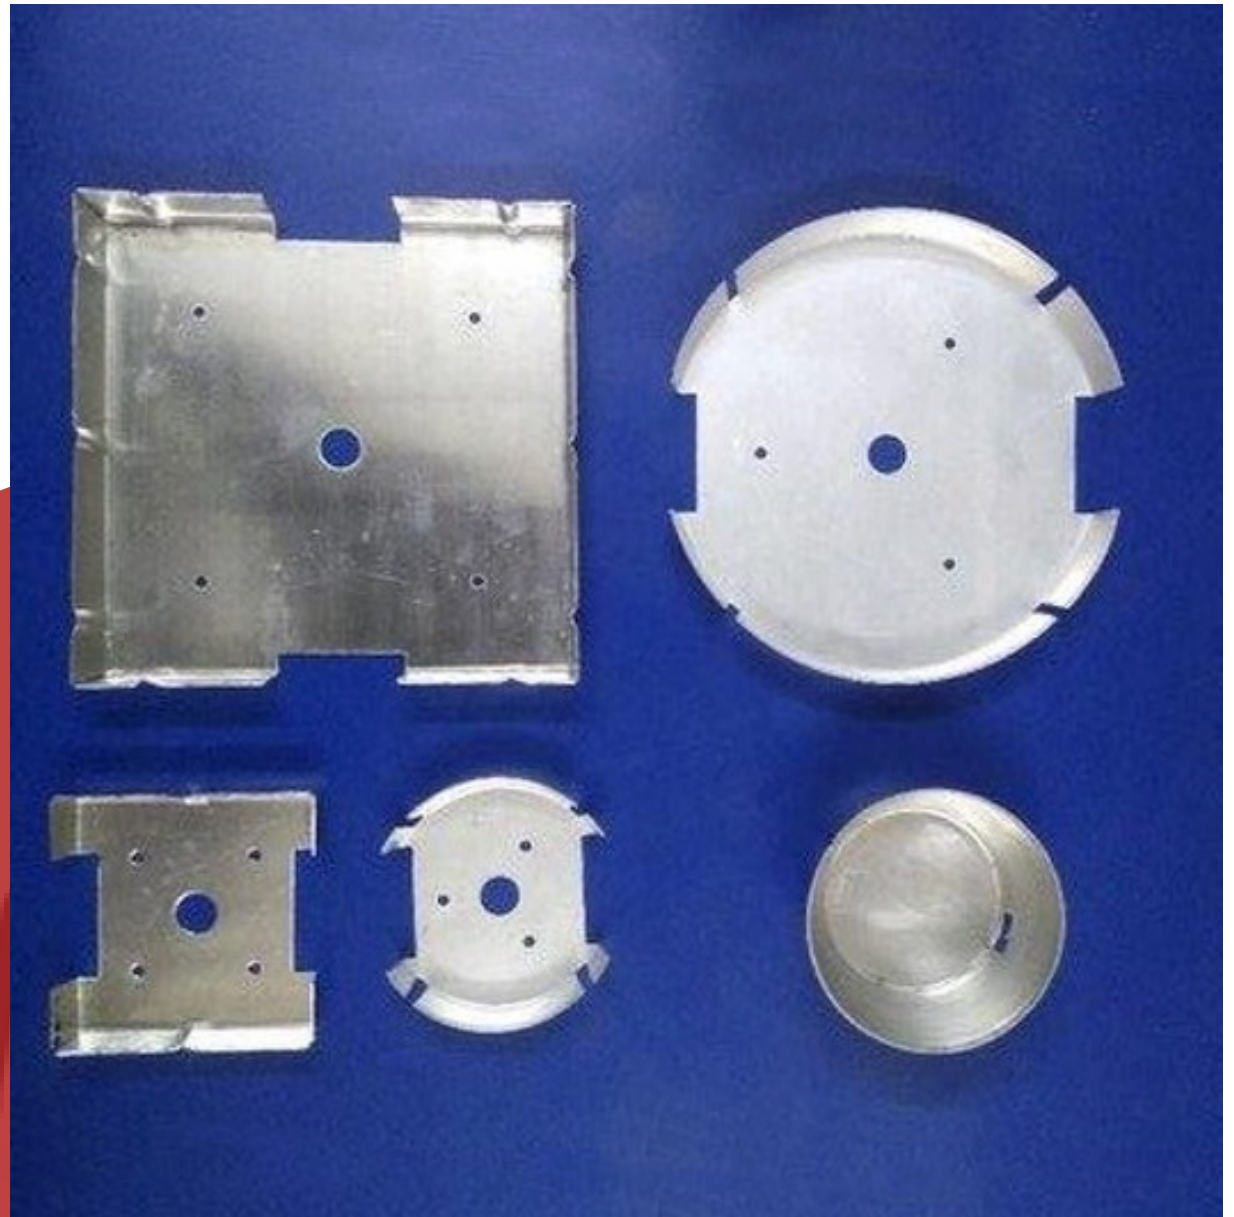

We, at PMP Metal Plast, are committed to bringing continuous development in our product design.
